

Boxcar Universe Show Hosted by Steve Deubel & Mel Alva

Besides trendiness, interest in container homes is also part of a wider interest in saving money with prefabricated and modular homes. Many potential homeowners are looking for **lower construction and maintenance costs**. Container homes are contributing to recycling.

- Helping potential homeowners to understand container home living
- Showcase innovations on High Tech products for your new “Boxcar Home”
- Ways to live a Sustainable Lifestyle through Green Products & Services
- Where to buy your new Container Home
- How to build and design your own “Boxcar Home” yourself.
- Weekly Tips for Keeping Up Your new container home.

Sustainable Lifestyle Living is Healthy Lifestyle Living!!!

The show can be heard on Apple Podcasts, Spotify, Podcast Index, Google Podcasts, Amazon Music, Stitcher, iHeart Radio, Overcast, Castbox, Podcast Addict, Pocket Casts & Pandora. .

A style that makes a statement

Mel Alva owner and Interior designer of Alva Interiors AZ has over 22 years experience in residential and commercial design.

A message from Mel:

Design and styling your space is truly my passion. I love mixing timeless fashion trends within a design plan to create that special look for each client.

Getting to know my clients to fully understand their needs and personal style is key, as true design comes from within. This allows me to create a design that is unique to them.

The combination of lifestyle, fashion and interior design as one collaboration.

A style that makes a statement
